Read the comprehension given below and answer questions from Q7. to Q10.

Youth is the spring of Life. It is the age of discovery and dreams. India is of largest youth population in the world today. The entire world is eyeing India as a source of technical manpower. They are looking at our youth as a source of talents at low costs for their future super profits. If Indian youth make up their mind and work in close unity with working class people, they can hold the political power in their hands. Indian youth has the power to make our country from developing nation to a developed nation.

The role of youth is of most importance in today's time. It has underplayed itself in field of politics. It should become aspiring entrepreneur rather than mere workers. It can play a vital role in elimination of terrorism. Young participation is important because youth are the country's power. Youth recognize problems and can solve them. Youth are strong forces in social movements. They educate children about their rights. They help other young people attain a higher level of Intellectual ability and to become qualified adults.

So now's the time for us to act!
